Preliminary Notes: An appeal conference was held on August 16, 2005 involving the primary examiner of record, supervisory examiner Jeffrey Gaffin and supervisory examiner Safet Metjahic. A determination was made to withdraw the final rejection in view of the appellant's arguments in the brief.

A determination has been made that an additional ground of rejection is required under 35 USC 112, for clarification of the claims. Although additional art is cited, no prior art rejections are made herein. Allowable subject matter is indicated.

JEFFREY GAFFIN
SUPERVISORY PATENT EXAMINER
UNIT 2100

In view of the appeal brief filed on June 2, 2005, PROSECUTION IS HEREBY REOPENED, as set forth below.

To avoid abandonment of the application, appellant must exercise one of the following two options:

(1) file a reply under 37 CFR 1.111 (if this Office action is non-final) or a reply under 37 CFR 1.113 (if this Office action is final); or,

(2) initiate a new appeal by filing a notice of appeal under 37 CFR 41.31 followed by an appeal brief under 37 CFR 41.37. The previously paid notice of appeal fee and appeal brief fee can be applied to the new appeal. If, however, the appeal fees set forth in 37 CFR 41.20 have been increased since they were previously paid, then appellant must pay the difference between the increased fees and the amount previously paid.

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 8-12 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 8: The sixth paragraph refers to determining the spot price based on a subscriber "not admitted". It is not clear whether the non-admitted subscriber is being denied admission to the server, the first stage lines, the second stage lines or the computer network.

The seventh paragraph refers to a "bid price" associated with the reservation fee. It is not clear whether this "bid price" is the same as or different from the "bid amount" recited previously in the claim.

Claim 10: Reference is made to a "bid price", where it is not clear if this is the same as or different from the "bid amount"

Claim 11: Reference is made to subscribers who are not admitted, where it is not clear whether subscribers are denied admission to the server, first stage lines, second stage lines or computer network.

Claims 8-12 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

Any inquiry concerning this communication should be directed to Sam Rimell at telephone number (571) 272-4084.
